

Trident – Wadi Shaha – N 25 53 47.6 E 056 07 03.7 – West facing

Park 1.4 km past Cleavage going up the valley. The climbs are situated at the bottom of Trident Gorge on the north side of the valley 240 metres from the road (the bottom of the gorge cannot be seen from the road).

Trident ** 26/02/09 Pete Thompson, Paul Walley, Lee Ellison

VS 50m

Starts below the obvious water course.

50m 5a Climb the initial wall directly. Continue up cracks up the right side of the water course briefly joining Neptune half way up. Traverse left to the bolt belay. Abseil off.

Neptune ** 27/02/09 Pete Thompson, Paul Walley, Lee Ellison

VS 50m

50m 5a Climb the wall directly and continue more easily up the middle of the water course to the bolt belay.

Neptune (left) and Trident.
